Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This communication is responsive to the Office Action dated July 21, 2008, concerning the above-referenced patent application. Applicant believes no additional payment is required for filing this response. If this is incorrect, however, the Commissioner is authorized to make appropriate charges or credits to Deposit Account No. 19-0741 to provide exact payment.

In the Action, the examiner asks for a clarification of applicant's species election. For purposes of a complete response, applicant elects biomarker WM-477 as a species and notes that each of the elected claims reads thereon. Applicant continues to traverse the restriction, however, for the reasons noted in the Response submitted on April 30, 2008, which is hereby incorporated by reference.
